

# Secret Sydney

Sydney: Full day

## Morning paddle, afternoon flight...

Get out & active on the world's most beautiful Harbour, discovering Sydney's secret Harbour coves by sea-kayak. Then, finish the day with a spectacular helicopter flight over the Harbour!

Travel with your private Guide to Sydney Harbour's north shore, where your qualified sea-kayak guide leads you on a morning tour to give you a taste of life on and by the Harbour. This is a stunning way to spend the morning, discovering the contradictory chill and frenzy of life on the Harbour. You'll cruise by some of Sydney's most valuable real estate, get up close and personal with some of the wildlife, and learn some history along the way.

Enjoy lunch at one of our favourite northern shore restaurants overlooking the Harbour, before taking to the skies for a spectacular scenic helicopter flight over Sydney Harbour.

**Inclusions:** Services of private Bespoke Tours Guide, travel in private luxury vehicle, flexible tour options, 2-3 hour private sea-kayak tour, lunch at a great local restaurant, 20 minute scenic helicopter flight over Sydney (may be shared, max. 6 pax), morning or afternoon tea
