### Meet your Bespoke Guide

Meet your Sydney Bespoke Tours guide in your hotel lobby to begin your day of private, tailored touring. This day is all about *you*, so discuss your interests and preferences with your guide so the day can be customised to suit you.

### Explore the City & Eastern Suburbs

Begin your morning exploring the historic Rocks area of Sydney, the birthplace of Colonial Sydney. Here a group of exhausted and bewildered convicts and their keepers began to build a nation. Learn about their early beginnings, and their interaction with the Aboriginal people who had already been calling this area home for millennia. Take in the views over Sydney Harbour from Observatory Hill as your guide explains Sydney's unique origins.

See the colonial, sandstone buildings of Macquarie Street, and the vibrant foreshore precinct around the Sydney Opera House and Circular Quay. See the parklands of the Royal Botanic Gardens, and the sublime lookout point at Mrs Macquarie's Chair - beloved for its fabulous Insta-worthy views. Travel through the dock areas of Woolloomooloo and on to the glamorous Eastern Suburbs. Here are areas that have evolved from working class, to inner-city chic. Some of the city's best galleries, boutiques, restaurants and bars can be found here along with great examples of Victorian-era architecture. In the harbour-side suburb of Rose Bay you'll find Australia's first airport, and still today the wonderful Seaplane Wharf.

### Scenic Seaplane flight over Sydney Harbour

When this airport first opened in 1938, it was the staging point for a ten-day journey that would take travellers from Sydney to Southampton in the UK. Today, the Seaplane Wharf is perfectly-positioned as the start to a spectacular scenic flight that will show us the majesty of Sydney Harbour. With **fabulous** views down the Harbour to the city, this is the perfect location for a coffee or morning tea as you learn about Sydney's aviation history in the small, on-site museum as we await our flight.

Then it's time to take to the skies on a fabulous 15-minute seaplane flight that shows you Sydney in all her glory! Taking off from the waters of Rose Bay you'll have the perfect birds-eye view of Sydney Harbour, from the Heads to beyond the Sydney Harbour Bridge to the west. See the spectacular cliffs that lead to Bondi Beach, and the numerous stunning waterways, bays and harbour beaches that make Sydney one of the most beautiful harbours in the world.

### People-watching by the sands of Bondi Beach...

Next, we'll head to Australia's most famous stretch of white sand - the famous beach and breaks of Bondi Beach. This is where locals and tourists alike gather to pay homage to the great Australian love of sun, sand and surf.

Bring your swimmers so you can take a dip in the surf, or you may like to get some exercise and take in the stunning views with a walk on the famous Bondi to Bronte Cliffwalk. This spectacular walking track is a locals' favourite, taking you past the iconic Bondi Baths and Icebergs Swimming Club, and on to hidden gems like Tamarama Beach and Mackenzies Point.

On a Sydney summer's day you have a great excuse to head to one of our favourite ice-cream shops - the fabulous Gelato Messina. They have a huge range of traditional favourites and creative weekly specials (*editor's tip: the Pistachio Praline is heavenly!*)

12:30 PM -
