Bespoke Sydney Welcome

Welcome to Sydney!

Your Sydney Bespoke Tours guide will be waiting at Sydney Airport with a warm welcome, and a plan to show you a great day of private, tailored touring. While many international flights arrive early in the morning, your accommodation may not be ready to receive you until the mid-afternoon, so let's make the most of your day to get you freshened up, and to keep you engaged, awake and relishing your arrival into this beautiful city.

Relax - this day is all about *you*, so feel free to discuss your interests with your guide so the day can be customised to suit.

Airport to city (standard)

Bondi revival

Sydney is just waking up to a new day, so let's head to the beautiful white sands of one of our most famous beaches, Bondi Beach, to refresh, recover and re-energise after your flight.

This is your chance to relax into the Aussie lifestyle, so we'll tailor this morning to your interests, and to the timing of your arrival to choose what works best for you. You may like to start the day with a reviving swim in the Bondi surf, or stretch your legs after the flight and join the locals to walk or jog the stunning Bondi to Bronte Cliffwalk, with spectacular views over the Pacific Ocean.

Whenever you're ready, we've arranged a hot shower so you can freshen up, wash away the travel, and get into a fresh change of clothes - relaxed and casual will suit the tone.

Next, grab a seat in a beach-side café and to pay homage to the Australian coffee obsession. Let your guide shout you a latte or a smoothie, and a copy of the *Sydney Morning Herald* as you compare politics and current affairs while you watch the world go by, to the tune of the waves crashing in the background.

Explore the Eastern Suburbs

From Bondi, you'll head back towards the city, stopping at South Head, the dramatic sea-cliffs are the perfect vantage point from which to take in the sweeping views up Sydney Harbour towards the city, or out east to the Pacific Ocean. There are some lovely walks and hidden spots in this area.

In the harbour-side suburb of Rose Bay you'll find Australia's first airport, and still today the wonderful Seaplane Wharf.

Travel through the glamorous Eastern Suburbs of Sydney and on to the dock areas of Woolloomooloo. Here you'll discover areas that have evolved from working class, to inner-city chic. Some of the city's best galleries, boutiques, restaurants and bars can be found here along with great examples of Victorian-era architecture.

Settle in to your hotel

Your Guide will share some favourite spots for those perfect Sydney views as you make your way to the city and to your hotel. This is a great chance to take advantage of your Guide's extensive knowledge and experience, so ask ideas to enhance your stay in Sydney.

Upon arrival at your hotel your room will be ready for check-in, so enjoy a relaxing afternoon before an early dinner at your leisure, and a well-earned sleep for your first night in Sydney!
