Bespoke Sydney with the Kids

9:00 AM -

Meet your Bespoke Guide

Meet your Sydney Bespoke Tours guide in your hotel lobby to begin your day of private, tailored family fun! This day is all about *you*, so discuss your interests and preferences with your guide so the day can be customised to suit you. Don't forget to bring along all you'll need for the day, including swimwear, towels, hat and perhaps even a change of clothes to keep you comfortable throughout the day.

Explore Sydney

Start the day by letting your guide help you get your bearings of Sydney. This is a great opportunity to let us tailor the day to suit you, so let's see what takes your fancy.

Explore the historic Rocks district of Sydney, where European convicts and soldiers first laid down their foundations to settle the new colony. Wander the busy, vibrant quarter around Circular Quay - Sydney's main ferry hub - and walk around to the famous Sydney Opera House. Perhaps you'd like to explore the family-friendly parklands of Barangaroo, recently developed to re-create what Sydney's foreshores would have been like for the local Aboriginal people, pre-contact.

Or let us take you over the Sydney Harbour Bridge (or walk across the Bridge yourself!) to explore the area around Luna Park, and the beautiful streets of Kirribilli - particularly spectacular in the Springtime when the jacaranda trees burst forth with purple flowers.

Following a brief look around we'll head to Sydney's north shore, to what must surely be the most beautiful zoo in the world...

Go behind the scenes at Taronga Zoo

You're in for an exceptional treat today as you experience Australian wildlife up close and personal on a behind the scenes tour with a Taronga Zookeeper.

Sitting on 52 acres of prime harbourside real estate, this is one of the most beautiful zoos in the world. It's a great setting from which to go nose to beak with your favourite wildlife, with stunning views over Sydney harbour towards the Opera House.

Your 2-hour insight concentrates specifically on Taronga's extensive collection of Australian wildlife, as you learn all about your favourite Aussie creatures - and many you didn't know about – in a fun and interactive tour around the zoo. Personalised and intimate, led by an experienced and passionate Zookeeper. You'll get in behind the scenes, including a Koala encounter.

This is a great environment to ask as many questions as you like to learn how and why Australia's wildlife is so unique, and is ideal for photo opportunities with the Aussie natives!

A private sailing cruise on Sydney Harbour with a local

At the end of your tour, your guide will show you the way down to the Taronga Zoo Wharf where a luxurious sailing yacht or catamaran will be waiting for your private cruise on Sydney Harbour.

Meet your captain and hop aboard for your two-hour cruise. This is a great way to see the city from the water, to live a local's life, and to hear all the history, anecdotes and gossip as you pass by the iconic sights, and the prime real estate of Sydney.

Along the way you'll enjoy a sumptuous lunch and drinks, and perhaps take the opportunity to stop in one of the idyllic bays for a swim or paddle. Remember - it's all about you, so chat with your captain about what you'd like to do!

Surfs up!

Next, let's head to the beautiful white sands of one of Sydney's most famous beaches, Bondi Beach, to join the locals in that most Australian tradition of honouring sun, sand and surf! At North Bondi, you'll meet your friendly, local surf coach for a fun 1 hour private family surf lesson. This is a great chance to give surfing a go for the first time, or to hone your skills and try the local waves if you've done it before. Your surf coach will cover all the basics to get you standing and riding a wave before you leave - surfboard, wetsuit and sun block is all included to make things easy for you.

For those who might not want to join the surfing lesson, there are plenty of choices. Take a swim in the Bondi surf, stretch your legs on the stunning Bondi to Bronte Cliff Walk with spectacular views over the Pacific Ocean, or hit the boutiques and markets at Bondi to do a bit of shopping. Afterwards, there's always time to fit in an ice cream at our favourite Gelato Messina, right?

5:00 PM -

Return to your hotel

At day's end your Sydney Bespoke Tours guide will return you to your hotel, after what we hope has been a fabulous day in Sydney. Don't forget to take advantage of your Guide's extensive knowledge, and ask for restaurant suggestions or ideas for the remainder of your time in Sydney. Thanks for exploring Sydney with us!
