Bespoke Wildlife, Waterfalls & Wine

7:30 AM -

Meet your Bespoke Guide - Sydney pick up

Meet your Sydney Bespoke Tours guide in your Sydney hotel lobby to begin your journey to the coast and highlands south of Sydney.

Koalas and kangaroos

This morning take a scenic drive through Australia's oldest national park before arriving to Symbio Wildlife Park - home to a breeding program of the endangered koala. Arriving before opening time, you'll meet up with one of the keepers for an exclusive koala encounter where you'll meet and learn about one of our living national icons. Have your camera ready!

Afterwards, meet kangaroos and 2 species of wallaby - you may even tempt some of them to eat out of your hand. The park hosts other native Australian wildlife including wombat, emu, Tasmanian Devil, dingoes, echidna and cassowary.

Grand Pacific Drive

Later this morning, take in coastal scenery stretching to the south as you hug the coastline along the Grand Pacific Drive and traverse the Sea Cliff Bridge.

Around midday, arrive at Wollongong for a delicious lunch looking out over the harbour at one of our favourite restaurants.

Fitzroy Falls and Yurrunga Valley

Continue through the highlands to the Morton National Park to take in spectacular vistas of dense forest and sheer sandstone cliffs. Stand atop 80m high Fitzroy Falls, where it plunges into the Yurrunga valley, and follow a trail around the edge of the valley while learning about the native flora and fauna.

Listen out for the male Superb Lyrebird - it's mating time! If we're lucky you may even get to see one doing his song and dance for the ladies.

Wine paddle & plate tasting experience at an award winning winery

In the afternoon we will head to the award-winning Centennial Vineyards in the beautiful highland town of Bowral. Here you will sample from a premium paddle of the winery's cool climate wines, each paired with a delicious seasonal small bite.

We hope you have enjoyed a day of quintessential Australian experiences exploring the coast and highlands to Sydney's south.

Bringing the day to a close - vehicle return

Towards the end of the day you'll see the sun set across the hills as we return through farmland and bushland until reaching the outskirts of Sydney.

Your guide should have you back in your hotel around 6.30pm to enjoy whatever the evening has in store for you.

Bringing the day to a close - helicopter return option

In the late afternoon you'll meet your helicopter pilot for your scenic return to Sydney. Arriving into Sydney as the sun begins to descend you'll have spectacular views of Sydney Harbour and the city.

At the helibase you'll be met by a driver for a transfer by private vehicle to return you to your hotel. We hope you've enjoyed a fabulous day exploring the stunning south coast and southern highlands area, and thanks for letting us show you this special part of the world!
